

2019-2020

Membership Form

At Mission Avenue Open Elementary School, we talk a lot about “Mission Magic.” Our PTA (Parent-Teacher Association) is a nonprofit organization made up of parents, grandparents, teachers and school staff, who work together to create opportunities and special moments for our students and our community. We aim to enrich the education of our children through hands on experiences, a dedication to the arts, and a commitment to the development of well-rounded young people.

Please support Mission and its students by joining the PTA today! Your participation is always welcome, with no expectations or commitment required.

There are now two ways to join PTA: Sign up online at missionpta.org OR return this form to the office.

PTA Membership
