

## Mission Avenue Open Elementary School Help Us Make Mission Magic!

---

Dear Donor,

Mission Avenue Open Elementary School has been part of the Sacramento/Carmichael community for more than 65 years. A public school in the San Juan Unified School District, Mission is well known for its unique educational experiences such as overnight field trips to explore Northern California, engaging learning in outdoor spaces, community service, and integrating arts, music, and science into the experiential learning at Mission. Ultimately, we strive to create a well rounded elementary experience that instills not only the academic foundation for success, but also the knowledge and character required to make success a reality.

This is where you can help. As a valued local business and community leader, we are writing to ask that you consider sponsoring our 2023 Bon Voyage Auction. Our biennial auction provides much of the funding that our PTA uses to support these programs and create the “Mission Magic” that everyone talks about.

There are sponsorship levels starting at just \$100, and every little bit will have a direct impact on improving the educational experience for the students of Mission Avenue Open Elementary School. Please see the attached flyers for more details about the various sponsorship levels and perks available for our sponsors.

We also welcome donations of goods, services, and gift cards. And of course, tax-deductible cash donations are always needed.

If you have any questions or need more details, please reach out to our auction chairs (contact info below). Thank you in advance for your generous support of our students!
